PRESENT WITHOUT A FUTURE

(Letra e composição original de Nilo Jablonski)

PRESENT WITHOUT A FUTURE

[Verse 1]

You went away.

You stayed in me.

Time passed by.

But not completely.

On certain streets,

I still see you.

In certain songs,

I relive what we knew.

[Pre-Chorus]

It's not absence.

It's another way to stay.

You went so far away...

I learned to remember that way.

[Chorus]

You're the past

Living in the present,

An old longing

I still feel every second.

I cannot have you.

I cannot erase.

Some loves come to an end...

But never lose their place.

[Verse 2]

I tried to forget.

I almost succeeded.

But erasing you

Would erase who I used to be.

Our story ended.

The memories did not.

You left my life,

But not my heart.

[Pre-Chorus]

There's still a part of me

That waits for your return.

And there's another part

That has learned not to yearn.

[Chorus]

You're the past

Living in the present,
An old longing
I still feel every second.

I cannot have you.

I cannot erase.

Some loves come to an end...

But never lose their place.

[Bridge]

No one won.

No one lost.

The one who stayed feels the absence.

The one who left keeps what we were.

And I...

I don't want to return.

I only want to learn

Not to look back again.

[Final Chorus]

You're the past

Living in the present,

An old longing

I still feel every second.

I cannot have you.

But I can carry on.

Because some loves come to an end...

But never stop living on.

[Outro]

You walked away.

But love...

Did not.
