■ LETRA – VERSÃO OFICIAL REGISTRÁVEL

In the Time of Light

(Letra e composição original de JBFERREIRA)

Hmm...

Hmm...

I've walked through empty streets alone,

Carrying burdens no one knew.

I smiled so many times outside,

While deep inside, I was breaking through.

I counted stars instead of sleeping,

Asked the heavens why it had to be.

The silence answered first...

Then I heard Your voice calling me.

[Pre-Chorus]

Just when I believed it was the end,

Hope began to breathe again.

Even without seeing tomorrow,
My heart still chose to believe.

[Chorus]

When the light touches my face,
I will remember...
Every tear that ever fell
Came to make me stronger.
No night lasts forever,
The sun will always rise.
Those who keep on walking
Never fight in vain.
Now I know...
Everything happens...
In the time of the light.

[Verse 2]

Every scar I carry now
Became a road that led me on.
What once looked like defeat
Is the reason I've grown strong.
I don't run against the wind anymore,
I've learned the strength to wait.
Because what is truly meant to be
Always finds its place.

[Pre-Chorus 2]

Even when the world falls silent,
There is still a guiding way.
Those who sow their faith each morning

Harvest change someday.

[Chorus]

When the light touches my face,

I will remember...

No storm can ever extinguish

The fire that still burns within.

The impossible becomes a story

For the ones who carried on.

Now I know...

Everything happens...

In the time of the light.

[Bridge]

If the world should tell me

"It's over..."

I'll keep moving forward.

If every road is closed,

I'll make a new one.

When my strength is gone,

Hope will sing for me.

Because those who truly believe

Never walk alone.

[Final Chorus]

When the light touches the world,

Everything will change.

Every dream that fell asleep

Will awaken once again.

There is no endless night,

No winter without end.

Tomorrow always finds

The ones who never run from who they are.

Now I know...

Now I see...

The impossible

Begins

The moment

We choose

Not to give up.

[Outro]

(Humming)

Hmm...

Hmm...

In the time...

Of the light...
