NO ONE FOOLS GOD

(Letra e composição original de Nilo Jablonski)

NO ONE FOOLS GOD

[Verse 1]

A thousand promises I made,
A thousand times I heard Your call.
I swore I'd change, then fell again,
And watched my faith begin to fall.
You gave me chance after chance,
Yet I returned to the same sin.
I fooled myself, believing
I could deceive the One who sees within.

[Pre-Chorus]

What blindness of the heart,
What foolishness to hide...
I thought I could fool my God,

While fooling myself inside.

[Chorus]

No one can fool God,

No secret can be hidden.

You know the road I walk,

You know where I have been.

And knowing all I've done,

You still call out to me:

"My child, come back to Me."

Lord, have mercy on me.

[Verse 2]

Today I stand at the crossroads,

With nowhere left to run.

I kneel before Your holy throne,

My healing has begun.

I tried to live without You,

I tried to walk alone.

But every road I chose

Led me farther from my home.

[Chorus]

No one can fool God,

No secret can be hidden.

You know the road I walk,

You know where I have been.

And knowing all I've done,

You still call out to me:

"My child, come back to Me."

Lord, have mercy on me.

[Bridge]

I'm tired of falling, Lord,

Of turning from Your grace.

I lost myself in darkness,

Till mercy found my place.

Forgive me for the times

I turned away from You.

I surrender all I am,

And start my life anew.

[Final Chorus]

No one can fool God,

Yet You will never leave me.

Even when I lose my way,

Your grace will still receive me.

Without You, Lord, I'm nothing.

You are all I need.

I surrender You my life,

And trust Your love to lead.

[Outro]

I don't promise to be perfect,

Only to seek Your face.

Forever I am Yours, my Lord,

Held in Your amazing grace.

And if I fall again,

I know where I belong...

To You, my Lord.

To You alone.
